MEMORANDUM FOR: Information Review Officer, DDO

FROM:

Chief, Classification Review Division  
Office of Information Services, DDA

SUBJECT: Review of Department of State Draft,  
FRUS 1958-1960, Vietnam (U)

1. Attached for your review are forty-six documents (189 pages) from the draft of the Department of State's Foreign Relations of the United States series (FRUS), 1958-1960, Vietnam. The Classification Review Division (CRD) found these pages to be of interest to the DO. Each page was reviewed by CRD and deletions are recommended by bracketing in red and discussed on the attached worksheet. Some of the attached documents are forwarded because they discuss U.S. Government actions that touch on CIA programs without the mention of CIA. We recommend release of these documents but forward them for your coordination to be certain that nothing slips through that is classified from the DO perspective.

2. CRD reviewed the entire 641 pages of this FRUS and found only these 189 pages to be of interest to the DO. We found 23 pages which we are sending to the DI for their coordination. If you wish to review those pages sent to the DI or the entire volume, please advise us and we will forward them to you.

3. We request that you review the attached documents as soon as possible in order that we may return this material to the Department of State. Please return the draft pages to CRD along with your comments. If you have any questions concerning our review decisions, please contact
